

Market Leader Intermediate Homework 2.1

Pages 14 - 16

Warm up Discussion - Write down your answers to each question and be ready to discuss with your teacher in class:

- 1) What is the best travel experience that you have ever had?
- 2) What is your dream vacation destination and why?
- 3) When you travel, do you like to make very detailed plans or do you prefer to play it by ear?
- 4) Where is one place you have no desire to visit?
- 5) What are the advantages and disadvantages of working in travel or hospitality industries? Would you or did you ever consider working in these industries? Why/why not?

Starting up - Parts A - D

Write down your answers to each question and be ready to discuss with your teacher in class. For Part D please write an explanation for why you chose your most/least irritating situation and be ready to discuss this in class.

Vocabulary - Parts A - C

Complete the exercises and check your answers to part B using the audio file. Highlight or circle the parts that are difficult to understand so your teacher can help you understand them in class.

Writing & Discussion Assignment

Look Vocabulary Part B again and notice the transition phrases that were used to indicate that events happened in the past. Words like, "My last trip", "First of all", "Next", "When I arrived" help the listener know the sequence of events. Using past tense and transitional phrases, write a story about a bad travel experience that you had. Tell about the problems that you had to face and how those problems were solved. Be ready to tell this story to your teacher in class.

Listening - Parts A - D

Use the audio files to answer the questions on page 16. Highlight or circle the parts that are difficult to understand so your teacher can help you understand them in class. Then write your responses to parts C and D. Be ready to discuss your answer with your teacher in class.
