

Market Leader Intermediate Homework 4.1

Pages 36 - 37

Starting up – Parts A – B

Write down your answers to each question and be ready to discuss with your teacher in class. For part B, it is not necessary to write out your answers for each one, but try to elaborate on 2 or 3 topics that you feel strongly about.

Vocabulary – Parts A - F

Part A - Complete the exercises.

Part B – Use the audio file and try to dictate what the speakers say. Then match the vocabulary.

Part C & D– Focus only on the departments that exist in your company. For each of those departments, write a brief summary of what they do and use the activities in Part D to help you think of ideas.

Part E – Use the audio file to guess which department each person works in and write a brief explanation for each guess.

Part F – Use the audio file to complete this listening activity.

Discussion Questions

- How is your company organized? Use as many of the vocabulary in Part F as you can to describe your company's structure.
- What are the positive attributes about how your company is organized?
- What are some of the challenges that your company has because of the way it is organized?
- How is the organization of Western companies similar or different from the organization of Korean companies? Which style do you think is more effective and why?
