

Market Leader Intermediate Assignment 7.3

Pages 71 - 73

Skills – Parts A – E

Use the audio tracks to complete the exercises which will take you through many useful expressions for socialization. Highlight any of the parts that you don't understand so your teacher can quickly help you with them in class.

Case Study - Background

Read the background information and then listen to the audio track and take notes on the five topics that Rosana mentions and the opinions that Enrique says about the three countries. Be ready to share a summary and discuss your opinions about these topics with your teacher.

Case Study - Task

Similar to the audio track, you will give a briefing to your teacher about the five topics listed at the bottom of page 73. Consider your responses to each of the questions and take notes on how you might respond. In class your teacher will randomly choose questions from the list to ask you so be ready to give quick and thorough responses.
