Details

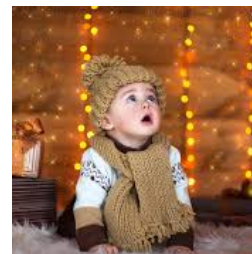

“Everybody knows a turkey and some **mistletoe**.”

- Mistletoe = This is a plant that is used as a decoration during Christmas over doorways. A custom developed in England and the US suggests that if two people stand together under mistletoe, they should kiss each other.

“**Tiny tots** with their **eyes all aglow** will find it hard to sleep tonight.”

- “Tiny tots” refers to small children
- “eyes all aglow” refers to Christmas lights reflecting off of their eyes

“And every mother's child is gonna **spy** to see if reindeer really know how to fly.”

- “Spy” is used as a verb here meaning to look for something secretly.

The Christmas Song by Nat King Cole

Chestnuts roasting on an open fire
Jack Frost nipping at your nose
Yuletide carols being sung by a choir
And folks dressed up like Eskimos
Everybody knows a turkey and some mistletoe
Help to make the season bright
Tiny tots with their eyes all aglow
Will find it hard to sleep tonight
They know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And every mother's child is gonna spy
To see if reindeer really know how to fly
And so I'm offering this simple phrase
To kids from 1 to 92
Although it's been said many times, many ways
Merry Christmas to you
And every mother's child is gonna spy
To see if reindeer really know how to fly
And so I'm offering this simple phrase
To kids from 1 to 92
Although it's been said many times, many ways
Merry Christmas to you
